

World class service with integrity and value.

Sagicor is a dynamic, indigenous Group which has been redefining financial services in the Caribbean. Following a carefully crafted business strategy, the company transformed from a local single-line life insurance company to a financial services group with a solid regional base, before expanding into the international financial services market.

After the company demutualized in 2002, Sagicor Financial Corporation was formed as a publicly-listed holding company. Sagicor, the company name, means "wise judgment" and reflects the nature of the financial advice and services we offer. Sagicor now operates in 22 countries in the Caribbean, the USA, and Latin America.
